**BRIEF TOUR DESCRIPTION (See website for full description)**

**Tour A: Thursday, 1/4/18 12:00 pm-3:00pm:** The Ford Kansas City plant is considered the largest automotive manufacturing plant in the United States for the amount of units produced on its assembly lines. One of its two products is the F150 pickup.

**Tour B: Thursday, 1/4/18 12:30 pm-3:30pm:** The BNSF Logistics Park Kansas City is a world-class inland port. It is ideally located in the nation's heartland, and designed to accommodate the growing demands of freight rail transportation.

**Tour C: Friday, 1/5/18, 8:45 am - 4:00 pm:** Trip to St. Joseph, MO, a river town and an agribusiness center. Lifeline Foods is a producer owned corn milling/processing facility for food ingredients and ethanol production. The Holladay Distillery is located in historic Weston, MO. Originally founded in 1856 it is the oldest Distillery west of the Mississippi. It is located on a limestone spring found by Lewis and Clark.

**Tour D: Friday, 1/5/18, 11:30 am - 3:30 pm:** The Ford Kansas City plant is considered the largest automotive manufacturing plant in the United States for the amount of units produced on its assembly lines. One of its two products is the F150 pickup. Greenies, the very popular treats for dogs and cats, were created in Kansas City. The Greenies manufacturing plant is now owned by MARS.

**Tour E: Friday, 1/5/18, Noon - 3:30 pm:** The Veterans Community Project is a nonprofit organization, founded by war veterans, on a mission to eliminate Veteran homelessness by providing transitional-housing. The BNSF Logistics Park Kansas City is a world-class inland port. It is ideally located in the nation's heartland, and designed to accommodate the growing demands of freight rail transportation.

**Tour F: Friday, 1/5/18 12:30 - 4:00 pm:** Greenies, the very popular treats for dogs and cats, were created in Kansas City. The Greenies manufacturing plant is now owned MARS. The Federal Reserve Bank of Kansas City money museum allows you to explore the nation's financial system and the functions of the Federal Reserve. The Veterans Community Project is founded by war veterans, on a mission to eliminate Veteran homelessness by providing transitional-housing.

**Registration is not complete until you have received confirmation.  
(not an electronic receipt, but an official confirmation)**

**If you do not receive registration confirmation, or have questions  
please contact — CAROLYN Orr at [corr@sarl.us](mailto:corr@sarl.us) or 859.265.0658.**

**The 2019 Summit is Saturday, July 13 – Monday July 15, 2019 during the  
CALGARY STAMPEDE .**
