Request for Travel Scholarship

Airport you will be flying from, or city if driving and want mileage reimbursement.

This is to confirm that I do not have state or campaign funds available for travel and am requesting assistance from SARL for travel expenses.

Signed

Due to increasing pressure on travel funds, we are asking applicants to help us find state specific donors that might provide some funding to help with travel expenses in their state. Some successful examples in other states include the farm bureau, Northeast Farmers Union, Ag Councils and local industry. A \$2000 donation covers the travel for four members from the state. If you will provide the names and organizations, SARL staff will contact. Do you have someone from your state to suggest?
